Notes:

- 1.) Guard on duty in May and September includes 2 3-day weeknds and 2 +1/2 full weeks, every day in the summer, and one Sunday and 1 3-day weekend in October. Hours are 10 am -6pm daily, so as to not impede daily and Sunday Mass traffic to/from Enders.
- 2.) Contractor and delivery vehicles for Masons Island and Enders Island are included in the visitor counts.
- 3.) MI Residents include MIYC associate members and full-summer members; MIYC visitors are short-term summer and non-members.
- 4.) Turnarounds are likely understated as voluntary turnarounds have not been counted by some guards.
