

Mark Watson for Judge

Dear Neighbor,

I am writing to introduce myself and humbly ask for your support and vote for Judge, Criminal District Court No. 7. I am the only candidate in the race who is Board Certified by the Texas Board of Legal Specialization. I have been a lawyer for more than thirty years. I believe a Judge has the constitutional responsibility to protect justice and democracy in Dallas County. I need your support and vote!

I believe that two years working is one hundred times better than two years of probation for most non-violent offenders. For some defendants, I will begin a "Second Chance" program involving working on a job, and staying out of trouble instead of felony probation. We can help young people avoid a criminal history, help them get jobs, and join the Texas workforce.

Robert Kennedy spoke about the "glory of justice and the majesty of the law . . ." being created by our citizens. Thurgood Marshall wrote, "the mere access to the courthouse doors does not in itself assure a proper functioning of the adversarial process . . ." Robert Kennedy and Justice Marshall knew the importance of the legal process in America and how it protects the average American.

I know the importance of due process, justice and equal access to the law. I will ensure that you and the citizens of Dallas County receive fair and just treatment in Criminal District Court No. 7.

I am asking for your support and your vote.

Respectfully Yours,

Mark Watson
