2018 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS

Pittsgrove Township Fire District No. 3

FISCAL YEAR: January 1, 2018 to December 31, 2018

Answer all questions below. Attach additional pages and schedules as needed.

 Complete a brief statement on the 2018 proposed Annual Budget and make comparison to the 2017 adopted budget. Explain any variances over +/-10% for each line item. Explanations of variances should include a description of the reason for the increase/decrease in the budgeted line item, not just an indication of the amount and percent of the change. Attach any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item.

The 2018 Operating Budget of the fire district increased by \$5,000 from 2017. The 2018 Capital Budget of the fire district is the same as 2017. The 2018 LOSAP Budget of the fire district is the same as 2017. The only item with a change of greater than 10% is other assets-non bondable appropriation for the need to purchase additional fire equipment.

2. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation to support the district budget and on the Restricted and Unrestricted Fund Balance(s). Explain increases or decreases in the tax rate and utilization of fund balances. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.

The proposed tax rate for 2017 will be \$0.155, which is an increase of .002 from 2017 actual rate.

3. Include a statement explaining how the Fire District is complying with the Property Tax Levy Cap. The statement must explain reasons for exceeding the Levy Cap and identify the appropriations that caused the Fire District to exceed the Levy Cap, and how they are being addressed by a referendum.

The District has been able to comply with the 2% Property Tax Levy Cap imposed in the current budget year by limiting budget appropriation increases.

4. If the Fire District plans to pass a Resolution for the Release of Restricted Fund Balance, explain the reason and purposes of the appropriation.

N/A

5. Complete a brief statement on the Annual Budget's proposed capital appropriations and payment methods, including debt service for the proposed budget year and for future years.

The District's only capital appropriation is the Reserve for Future Capital Outlays appropriation, which will be appropriated at a later date for a future capital project. The 2018 Budget does not include a debt service appropriation.

6. If the proposed Annual Budget contains an amount for a Cash Deficit of the Preceding Year pursuant to <u>N.J.S.A. 40A:14-78.6</u>, then explain the reasons for the occurrence of the deficit.

N/A

If so, provide the organization's incorporated name and amounts.
