CD KINEMATICS
EMAIL | +19492976849

PROFILE

~15 years of experience in various industries such as pharmaceuticals, medical devices, and financial services.

Strong interpersonal & communications
Visionary leadership
Operational excellence
Excellent organizational skills
Transformative innovations
Client-facing & collaborative

TALENT

- Statistical data interpretability
- Data integrity for market clearances such as preclinical/clinical studies
- Chemical assays and biological testing designs
- Process improvements
- FDA-ready auditing/representation
- Commercial manufacturing
- Equipment verification
- GMP validation
- Project management
- Overhaul/risk mitigations
- QA and post-market products complaints handling
- KPIs scorecards & enablement tools
- Data analytics, AI training, and programming

EXPERIENCE

Founder/Managing Director • Aug 2026 - present
CD KINEMATICS | Lake Forest, California
Strategized operations & build e-commerce pipelines.
Marketed services and products.
Developed infrastructure and departmental policies.
Networked with clients and community at conferences and association events.
Six Sigma Black Belt Practitioner • Apr 2025 – Dec 2025
IISE | Norcross, Georgia
Provided E2E solutions for automation-enabled/AI improvements as the next statistical intelligence.
Conducted experimental forecasting & track cycle time to manage productivity.
Codified into Playbook & SIPOC.
Managed projects using agile framework/timebox/burnup.
Implemented RStudio dashboard with no defects for sponsors/stakeholders.
Director of Operations • Aug 2025 – Feb 2025
JLL | Chicago, Illinois
Managed SOWs for global performance management.
Innovated a new statistical algorithm for BAU KPIs.
Advanced data ops with compelling integrations/dashboards in Power BI/Tableau.
Reviewed savings, spend, tranche, rebate, and cost reimbursable for reconciliations/PO invoices.
Oversaw legal and contracts inquiries for account operations, QBRs, and business planning.
Ensure accuracy of appraisals, contribution income, and margin for GAAP compliance.

EDUCATION

Cornell University • Apr 2026 – Jul 2026
Machine Learning/AI, Practicum Education
University of Southern California • Apr 2025 – Jul 2025
Black Belt, Six Sigma Philosophy
California State University of Long Beach • Jul 2020 – Jul 2021
M.S. Finance
University of California of Irvine • Sep 2006 – Jun 2011
B.S. Biomedical Engineering & Material Science

NOTEWORTHY MENTIONS

(1) Truly one of its kind – Companion Data Analytics Tool is a newly implemented software with immediately felt savings of 6:1 benefit to cost ratio and zero:centum upfront capital.
(2) Won RFP/RFS worth over $100 k for Klang, Malaysia property.
(3) Renewed a 3-yr budget for + $60 mil global RE portfolio, capturing accurate P&L data in sales worksheet.
(4) 10-15% efficiency gain in global performance/sales enablement.
(5) Boosted ratings in 2024H1 via response rate (from 30% to 50%) and highest ever NPS (mean 8.4/10 and mode 9).
(6) Successfully reduced monthly CIPM by 5% in year 2022 (from ~600 to ~400 complaints) for cost reductions.
(7) Maintained high-quality validations to bring Douglas to GMP state, license granted in Jun 2019 by CA DPH (0 observations).
