ABOUT US

Fastener Store Inc. is a locally owned, independent store with a 30+ year history of serving our customers. We greatly appreciate our clients who support the local economy and encourage the entrepreneurial spirit we can enjoy here in the USA! We pride ourselves on personal service, on-hand inventory and competitive price. Supplier relationships are solid, historical and financially healthy. Product lines are proven, certificated and of quality. President Shellee Shaw, BBA, has an impressive history of business management, customer service and innovative consulting.

As an independent, Fastener Store benefits from the ability to strategically negotiate and procure for the better good of all parties. Fastener Store regularly drop ships to customers throughout the United States and is capable of shipping worldwide. Fastener Store is SAM Registered & WBE/WOSB Certified.

Please contact us today to see how we can provide you with your fastener and industrial needs and give us a chance to earn your business!
