FINAL JUDGMENT

On July 17, 2026, this Court heard argument in this administrative appeal of Defendant Texas Commission on Environmental Quality's ("TCEQ") September 6, 2024 Final Order (the "Final Order") granting the application by Uranium Energy Corporation for renewal and amendment of Permit Nos. WDW423 and WDW424 (TCEQ Docket No. 2022-1553-WDW). Having considered the pleadings, administrative record, briefing, law, and argument of counsel, the Court hereby REVERSES the Final Order because TCEQ's decision to issue the permits was arbitrary and capricious and/or in violation of a statutory provision by failing to protect groundwater. TEX. WATER CODE §§ 27.003, 27.051.

The Court hereby REMANDS this matter to the TCEQ for further proceedings consistent with the Court's ruling.

This Judgment is final, disposes of all parties and claims, and is appealable.

SIGNED this 20 day of July, 2026.
