

UPDATE

It's **May 22nd** for the 2021 GA & Gam-Anon Mini Conference!

There are no holidays the day before, the day of, or the day after, so we're good to go. Also, moving the conference to May 22nd gives us more time to find workshop presenters and fill the Zoom host roles.

Thank you all for your patience and understanding.

HELP US MAKE THIS A SUCCESS - GET INVOLVED AND BE OF SERVICE

BECOME A PRESENTER - We are still looking for recovery-focused workshops!

DONATE A ZOOM ROOM - We need five Zoom rooms that allow at least 100 attendees. We need two hosts in each workshop (to answer questions, ensure that attendees identify themselves, introduce the presenter, and hand the room information to the next host)

NOMINATE A SPEAKER - We're looking for an Arizona speaker to start the conference off by sharing the heart of his/her recovery. If you would like to speak or nominate someone, email, text, or call Penny. The conference committee will choose from those names.

If you'd like to present a workshop, host a Zoom room, or have any questions, contact
