- Sadly, many of the children never get rescued. After they have been abused in unimaginable ways, they are later killed and their organs sold on the black market (mostly coming to the U.S)
- They have no record of being born and there will be no record of their deaths.

- Post this week:
- “Five lives. Five miracles.
- Five more new children arrived this past week– vulnerable victims of crimes and abuse no child should ever endure.
- What was done to them was evil.
- What was taken from them was not small.
- But they are safe now.
- They are seen.
- They are deeply loved.”

BIBLE DISTRIBUTION

World Missions to Asia (WMA) is a Christian missions organization that distributes Bibles free of charge throughout Asia. You can help! At an average cost of \$8.00, you can provide at least one Old Testament/New Testament Bible. With your donation to WMA, you will play a part in enabling someone to receive their very own Bible. **Our goal for 2026 is to distribute 1,200 Bibles...** Scan the QR CODE to give!

"Whenever I distribute these Bibles, I see the tears in the recipients' eyes, the gratitude in their faces, and the emotion shining through them. Gifting the Word of God transforms lives." —Nelson Thomas, India
