

Sense our presence, feel our proximity, remember a sleep dream feeling.

Eyes exchange contact, quickly look deep, the kiss of insemination is imminent.

Warm energy flows from mind downwards, comfortable, exciting, erotic

Scents mingle, movements align, passion germinates.

Desire masks awareness, faces moving closer, breath becoming taste.

Tongues electrify energy and connect recursively.

Breath rhythm increases, synchronizing melodically.

Physical, emotional, spiritual infatuation acquiesce decisive intimacy.

Somatic conception forever obliges perpetual devotion.

Expectant implications initiate questions, fear, apprehension

A magical bond from carnal desire, imposed by the growing life.

Powerful emotions nurture trust, strong proclivity for responsibility.

Intense pain yields new life, three spirits eternally attached.
