- ⚡ Express Ship is available in standard part sizes and in Overhead Braced style. For non-standard part sizes or other bracing styles, refer to "Standard Ship" lead time.
- * Directional patterns on panels larger than 59" wide will require the pattern to be seamed at an up-charge to match the direction of the doors and pilasters.
- ! Swatches are a printed representation of the color. Please view an actual sample prior to making your final selection.
