

# Bradmar™ Solid Plastic

PARTITIONS | URINAL AND SIGHT SCREENS | SHOWER STALLS

Owners, facility managers, and architects appreciate the low maintenance and high aesthetic value of solid plastic.

## MATERIAL

Fabricated from an advanced formula of high density polyethylene (HDPE), Bradmar™ solid plastic from Mills® offers the lowest maintenance and the highest durability. With an odor absorption rate of nearly zero, solid plastic is the perfect solution for highly humid or wet areas. Bradmar partitions have 1-inch thick doors, panels and pilasters, and come with a 15-year warranty against rust, corrosion, and delamination.

## PRODUCTS

Sentinel™ overhead braced partitions, floor to ceiling partitions, urinal and sight screens, and shower stalls.

## APPLICATIONS

Educational institutions, theme parks, stadiums, arenas, health clubs, food service, waterparks, locker rooms, and any other high-traffic and/or high humidity or wet area.

Note: Due to printing variances, actual color and sheen of the material may differ. Contact your Bradley representative for material samples.
