WASHROOM
ACCESSORIES

Metpar is proud to announce the launch of our new line of washroom accessories to complement commercial washroom projects. You can trust that this new line of products upholds the same quality that you have come to know and love with our partitions over the past 65 years.

BENEFITS & SAVINGS

Combine & Save: Add accessories to any shipment of partitions to save on freight. Accessories ship for free with any partition order.

Single Source Ordering: Ordering accessories and partitions from a single source, all packed on the same pallet and delivered damage free on one consolidated shipment. No need to worry about coordinating arrival of multiple shipments from various shipping origins. Single source. Single shipment.

ARCHITECTURAL INFORMATION

"Approved Equal" Substitution: Metpar washroom accessories can be submitted as an approved equal to architects and designers. All products meet the industry standard criteria for commercial washroom applications.

Specification Assistance: Metpar offers design and specification assistance to our distributors, designers, and architectural community.
