

Use **TEXTS** to inform, motivate and mobilize. Start today.

**Our mission** is to make it easier to use texts to inform, motivate, and mobilize. Texts get read; emails don't. If you want an edge, make texting a key part of your communication strategy. Starting **texting** today with **SMSGrouper**.

### **BUILD** A Database

Use SMSGrouper to build and manage your database of contacts

### **TEXT** Your Contacts

Quickly and easily text all contacts or just tagged groups

### **GROW** Your Influence

Use text messaging to build relationships, inform, motivate, and mobilize
