TALL PINES RESORT REQUEST FOR ALTERATION

As members of the Tall Pines Resort we must remember that we do not own the lots we occupy. The entire resort is the property of Tall Pines RV Resort, Inc. As members of that corporation we own shares in the entire resort, entitling each of us the exclusive use and occupancy of the lots we select at the time of the purchase of memberships. The By-Laws and the Membership Purchase Agreement are specific on this matter.

Any member, in good standing, who would like to make any changes is required to submit to the Architectural Review Committee a plant/design following the guidelines contained within the Architectural Guideline packet.

Three (3) copies of this form and three (3) copies of the drawing are required to be submitted. You will receive the original back. Your signature on this request acknowledges you are a member in good standing.
