

## QUILTERS DREAM BATTING® ~ Unique Features of Each Loft & User Guide

**REQUEST** ~ Thinnest Loft (Teal Label) A lightweight and consistent batting developed especially for hand quilters - ideal for fine micro-stitching with an exceptional drape. Can be used on the longarm when "floating the top"

**DELUXE** ~ High Loft (Purple Label) Provides superb warmth and volume offering extra emphasis for quilting. Great for machine quilting heavy quilts, wall-hangings, bags, and craft projects

**SELECT** ~ Mid Loft (Pink Label) Our most popular loft- versatile for both hand and machine quilting with a soft lovely drape. The perfect batt for most quilting projects and wearables.

**SUPREME** ~ Heaviest Loft (Yellow Label) A hefty, dense batting that has 1/2 pound of fiber per square yard! Great for machine quilting special projects that require thickness, weight and volume.

**THERMAL BONDED BATTINGS** ~ (Dream Wool and Dream Puff) Airy, consistent batting of 1/3-1/2". Light weight, lofty, and very warm and cozy. Imparts excellent definition to your stitches, yet is light-weight and drapeable.

	Fiber Content	Available Lofts	Color	Processing	Hand Quilting	Machine	Longarm	Stitch up to	Shrinkage

Quilters Dream Batting uses the highest quality fibers in the industry and state of the art manufacturing to bring you batting of unsurpassed quality and consistency. We use the softest, silkiest long-staple fibers so your quilt will stay soft, drapeable, and will resist shrinkage and bearding. Each batt is hand cut and hand inspected to insure quality. Our goal is to exceed our customers' expectations in quality and service. Quilters Dream Batting truly "Quilts Like a Dream."
