* Fees are calculated on the basis of each academic year (September-June). If you wish to register in the middle of the academic year, please contact the office.

* Students will need a personal computer for classes. You can buy a Chrome book from school if you need.

* Orchestra fees are incurred per position at the start.

* Compulsory Ancillary Fees: Fees charged to support services and activities distinct from academic programming or general overhead for the institution.

* The extra credit course is for those only who must retake/recover a course because they fail a course or do not reach the pass rate. It is decided after consultation with the principal.

* All values are in Canadian Dollars.

* Your tuition must be received by Due date. If fees are not paid by the term fee payment deadline, a late payment penalty of 18% per annual will be applied to the outstanding balance at the end of each month.

* All fees are subjects to change without notice.

* Additional fees will apply for special extra-curriculums.

* Once tuition is paid, no refunds or transfers of courses of study from student to student are allowed at any time.

* If an international student's visa application is rejected by the Canadian Embassy, tuition fees, other related fees, and/or dormitory fees will be refunded only if the original rejection letter from the Canadian Embassy, Refund Application Form, and School Tuition Fee Receipt are provided. Heritage International School reserves the right to withhold the registration fee and office management fee.

* Payment has to be paid by Due date. (If fees are not paid by the term fee payment deadline, a late payment penalty of 18% per annual will be applied to the outstanding balance at the end of each month. For a discussion of the implications of not paying amounts owed to the Heritage International School, see Overdue Accounts: Withholding of HIS documents and Denial of registration. Delinquent accounts will be reported to the Canada Immigration Government of non-paid students for recovery.)

* Students must pay the tuition to HIS School account directly and only. We are not responsible for any payment that you don't pay to HIS school account directly. Please ask the office the payment method.
