VI Slice Moderate Income Homeownership Program

VI Slice Moderate Income Homeownership Program

ADMINISTERED BY THE VI ECONOMIC DEVELOPMENT AUTHORITY

The primary goal of the “VI Slice” Homeownership Program is to establish opportunities which may increase homeownership rates amongst moderate-income households in the US Virgin Islands. The program will support long-term sustainability, resiliency, and economic viability across the territory by providing financial assistance to expand affordable homeownership opportunities. This program will support the following activities:

- Home Purchase with Rehabilitation
- New Home Construction
- Down Payment & Closing Costs Assistance

Program Fact Sheet

Home Purchase and Rehabilitation Combo

The Home Purchase Rehabilitation option will provide funding to clients for the purchase and/or rehabilitation of single-family or multi-family properties, limited to three dwellings on home site.

1. Applicable repairs include home upgrades and improvements necessary for addressing health and safety issues, in addition to building code violations requiring repairs relative to plumbing, electrical, and structural deficiencies.
2. Applicable properties include those with duplexes or single-family homes with no more than two additional units, smaller in square footage.
3. Owner(s) must utilize dwelling with an equivalent or higher appraisal value, as primary source of residence.
4. Owner may utilize dwelling with an equivalent or lower appraisal value, as a long-term rental unit.
5. Smaller units utilized as rental units must be leased in accordance with HUD issued fair market rents.
