LASH FAQs

What is a lash lift?

A semi-permanent treatment that curls and lifts your natural lashes from the base, giving you a wide-awake, gorgeous look without extensions or harsh chemicals.

How long does a lash lift last?

Lash lifts typically last 6-8 weeks, though results can vary based on your natural lash growth cycle.

Are lash treatments safe?

Absolutely! I only use professional, hypoallergenic products that are formaldehyde and ammonia-free to ensure the safety and health of your lashes.

BROW FAQs

What is brow lamination?

A perm-like treatment that helps relax and reshape coarse, unruly brow hairs. It allows me to sculpture your brows into a fuller, smoother, more uniform shape.

How long does brow lamination last?

Brow lamination generally lasts around 6 weeks.

Is brow lamination safe?

Of course! To protect your brows and keep them healthy, I exclusively use professional, hypoallergenic cosmetics that are devoid of formaldehyde and ammonia.

FACIAL FAQS

What is a buccal facial?

Using a combination of massage, sculpting techniques and specialized serums, this anti-aging facial helps lift and contour the mid-face area.

What is the Face Reality facial?

This facial is personalized acne treatment. This treatment includes a deep cleansing and exfoliation process, followed by gentle extractions to remove impurities and congestion on the skin.

Can I customize my facial treatment?

Yes, at Coastal Face & Body, we offer à la carte facial services where you can choose from a variety of organic and vegan treatments to create your own custom facial.
