<p>Description: This ride will take us thru parts of the Napa Valley, across the Golden Gate Bridge, then thru parts of San Francisco, down the Pacific Coast and stopping for lunch at the world-famous Alice's Restaurant. We will return through farmlands in the San Joaquin Valley.</p> <p>The Golden Gate Bridge is a suspension bridge spanning the Golden Gate (the one-mile-wide strait connecting San Francisco Bay and the Pacific Ocean). It is recognized by the American Society of Civil Engineers as one of the Wonders of the Modern World and is described as possibly the most beautiful, certainly the most photographed, bridge in the world. At the time of its opening in 1937, it was both the longest and the tallest suspension bridge in the world.</p> <p>Alice's Restaurant is a gathering spot for motorcycle groups, car clubs (you normally see lots of Maserati's, Lamborghinis and classic cars there) and bicycle riding groups. It is on most people's bucket list. The atmosphere, food and friendly staff makes it an enjoyable visit. Their menu is known for its "motorcycle specific" burgers, including the Harley Burger and the HOG burger.</p>
