**Halloween Hayride**

The Annual Halloween Hayride will take place on Sat, Oct 26th @ 6pm. If you are interested in handing out candy, donating candy, driving a trailer, or letting us borrow a trailer and/or hay bales for the ride—please contact Lacy Phillips at 512-659-0065. This is one of the best events held and we appreciate all the neighbors who participate in making it so fun for the children. Please remember that all children must be accompanied by an adult on the trailer and waivers will be signed before leaving the park. Bring blankets to sit on as the hay is pokey and don't forget your candy buckets. **Make sure to be at the park at 5:30pm so that trailers can take off on time.** Can't wait to see everyone there!

**Volunteer Work Day & Scrap Metal Collection on Oct 19th & 20th**

Please come and help us clean up our park on Saturday, **Oct 19th from 8am—12pm**. Bring your trailers, chainsaws, clippers, etc. and don't forget your gloves. We will be working from 8am to 12pm and will be focusing on clearing the park of all dead trees and limbs. Susan Backer will be working on the Rock Wall entrance and will need a few volunteers to help her. We will be having a BBQ for all volunteers afterward at the park at 1pm. The 2nd Scrap Metal Drive Collection will take place on the 19th and 20th at the park from 8am—5 pm both Saturday and Sunday. If you have metal items too large to bring by, please contact Lelon at 325-829-6127 to schedule a pick-up time. We hope to see you there!

**Call for Candidates**

There are **two** positions opening on the Board of Directors for Durham Park Association in 2020. Both positions will have three year terms. Once the two open positions are filled, the Board will then vote to place the new Directors into specific positions on the Board. If you are interested in serving our community on the Board of Directors and are committed to donating your time, please send an email to [board@durhampark.info](mailto:board@durhampark.info).

**All candidate submissions are due by Nov 12th, 2019**

**2019 Assessments**

Out of 204 property owners, there are still 14 who have outstanding balances. Assessment funds are used to pay for maintenance and improvements of the common areas which includes insurance coverage, utilities and the day to day operations of the Association. Payment plans are available for anyone desiring to clear their unpaid debt. You can contact the Treasurer through email at [treasurer@durhampark.info](mailto:treasurer@durhampark.info). She will be happy to help.

**Street Lights**

We have 29 street lights here in the community that are paid for out of your assessment funds. Each pole has a number attached to it for reference. If you see that one is not working, please contact Laurie Buchanan with the location and pole number at (325) 518-0341 or email [treasurer@durhampark.info](mailto:treasurer@durhampark.info) and she will schedule PEC to come check it out.
