

DURHAM PARK ASSOCIATION

TRACTOR USE POLICY

Durham Park Association (DPA) owns a 2004 John Deere tractor and Squealer Brush Hog. The tractor is housed at the Durham Park Water Supply Corporation (DPWSC) at 900 Glasscock Rd. Maintenance of the community park and entrances is supplied by volunteers who may use the tractor once they receive training.

- 1) Training for tractor use and check out procedures will be supplied upon request by a DPA board member or authorized representative.
- 2) The tractor will be used solely for maintenance of DPA owned properties (park, rock wall entrance, etc.). *It is not authorized for any resident's personal use.*
- 3) Any board member or a DPA member designated by the board may use the tractor.
- 4) A log sheet is located with the key to the tractor at the DPWSC.
- 5) Notify DPA Board member in charge of maintenance at maintenance@durhampark.info for any issues/problems that arise while using the tractor.
