

Dear Valued Local Business,

We hope this message finds you well. I would first like to thank you for taking time out of your busy schedule to read this and consider our needs.

As you know, Cocoa Football continues to set the standard for excellence in Brevard County. In addition to winning three state championship titles in the last three consecutive years, between 2019 and 2025 the Cocoa High School football program has had over 100 young men going onto colleges and universities across the country to continue their dreams to play football at the next level while pursuing higher education. Participation in high school athletics has been proven to have long lasting benefits in the development of our youth. The habits and lessons that are formed transcend high school and we take great pride in creating an elite environment for those lessons to be cultivated.

Our student athletes put in countless hours of work both on and off the field. With the upcoming season approaching, we are seeking the support of local businesses and community members like you to help cover essential expenses. These include updated uniforms and equipment, training resources, meals for the team, and various other essential needs that make our team successful.

The Cocoa Tigers Booster Club is officially launching their 2025 sponsorship season with some great opportunities for local businesses to show support and increase brand awareness along the way. We are proud to offer Tiger Stadium Banners which will be hung prior to the first home game and remain through 2026 graduation. Your contribution will also be recognized through our game-day programs and social media shoutouts. Most importantly, you'll be a valued part of our extended Cocoa Tigers family and the legacy we are building.

In this packet you will find details on the sponsorship offerings for the 2025 season. Sponsorships listed below are for guidance and not limited to the package. Donations of any amount will be accepted and appreciated. Whether you're able to give a financial donation, sponsor a meal, or contribute goods or services, every bit helps us continue a tradition of excellence while providing life-shaping experiences for these young men.

If you have any questions after reviewing the packet, feel free to reach out to Debbie or Jessica. We are a non-profit organization, and all donations will be tax deductible.

We are asking for your support and hope you will be able to assist our program through a sponsorship or donation. Every dollar you donate, goes directly to supporting the needs of the football program, including the purchase of gear or equipment, the improvement of facilities and meals for the team. Your donation will impact the lives of these young men and dedicated coaches in ways you can't even imagine.

Thank you for considering this opportunity to invest in the future of our athletes and the pride of Cocoa. With your help, we're ready to chase another championship season—together. Tiger Pride!
