## BEAVERS ON OUR BLOCK

**Alissa and Christopher's Home  
5442 26th Ave SW  
Sunday, February 1st 3-5pm**

The local beavers are busy building on Longfellow Creek between Findley/Brandon. Some folks may have questions about how this will affect them. This will be an info and Q&A event about coexisting with them. Bring your concerns/questions for Pamela Adams, featured in a new film about our neighbors the Delridge beavers, "Freelance Beaver Detective". Film showing (50min) included. Snacks provided, family-friendly. Please text or email with ??s. See you there!
