VOLUNTEERING

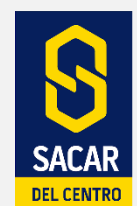

If you are interested in being part of the pillar of the GRAVEL MEXICO 2025 organization, please register as a volunteer at www.gravel-mexico.com

SOCIAL RESPONSIBILITY.

We work permanently in the appreciation of the nature and culture of the Potosí Desert, we include ourselves in the identity of the communities and peoples to integrate a discourse that manages to transmit to the world the essence of this wonderful place, with the purpose of provoking the sensation, even if it is ephemeral, of wanting to be in the Desert of San Luis Potosí.

In addition, the environment through which the routes will pass does not suffer aggressive interventions; the services and products required by the event are local; all the waste generated during the event is transferred to the city of San Luis Potosí for correct handling (recycling); We do not use disposable products that are not recyclable.
