

Cancellation Policy

UK Training Days

Please be advised that for UK training days or events, cancellations made up to 48hrs before a scheduled event via email or phone call will be processed without penalty.

Cancellations made 48hrs or less before a UK Training Day will be subject to a charge of 50% of the participation fee.

If ESSKIA cancels with less than 48hrs notice, you are entitled to a full refund or the cost can be commuted to a new event subject to availability.

Alpine Camps

Insurance - Unless advised that insurance has been included when the camp or event is launched, please ensure that any bookings which involve overnight stays, flights or travel are covered through your own travel insurance policies. Travel insurance must include cover for COVID-19 and also for ski race training (for training camps) and racing (for race events.)

Cancellation - See the terms and conditions provided when booking. If none are published, then a full refund will be available from ESSKIA up to 16 weeks prior to travel, after this point there will be a 50% cancellation charge up to 4 weeks prior to travel, which then increases to 100%. You may be able to submit a claim to the travel insurer for review. Please note that disinclination to travel is rarely an insured loss.
