

## **Code of Conduct**

### **For athletes attending a residential training camp**

I will behave in a way that is appropriate for athletes of a school age, representing a National selected squad and will not get involved in any activity that is against my school regulations, camp regulations or is likely to reflect badly on me, my school or ESSKIA.

I will abide by all regulations that are issued by the staff.

I will show respect and courtesy to all staff and squad members, respect members of the public and all facilities used. I will arrive promptly for all activities and allow enough time to be ready to start at the agreed time, appropriately dressed.

I will not be involved in any bullying or practices that can be deemed as bullying.

I understand that drinking alcohol, smoking and using any drugs is strictly forbidden.

I will not use the internet, phone or other electronic device to make negative remarks about other people or issues related to the camp.

I will report any concerns I have to the Squad Managers.

I understand that breaking this Code of Conduct may result in sanctions which could include being asked to leave the camp with immediate effect (at parents' cost), impact on my selection for future ESSKIA camps/teams and be reported back to my school.
