

Outdoor Play Products

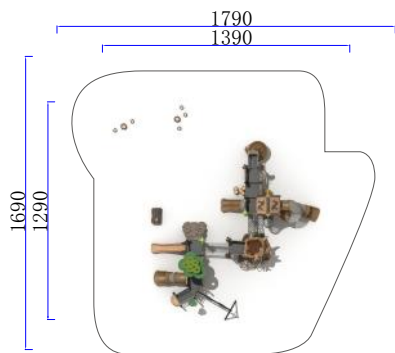

By integrating outdoor toys, Feiyou has bred outdoor playground slide , which provides different choices from thematic styles and gives customers more space to match. The combination slide is more functional and playful, which can realize children's drilling, climbing, sliding and other play styles to meet children's sense of innocence and curiosity. The play process can stimulate the child's fun, while helping to enhance coordination and exercise physical health.

Jungle Traverse

2024 New Series

- New Technology
- Visual Natural Ecology
- Anti-mold and Anti-corrosion
- Highly Cost Effective Eco-friendly
