

"I have been bringing my teams to BNB for 20 years, both my boys teams and now my girls teams. Absolutely LOVE it. Great competition, their staff is first rate, and you get to spend a week with some of the best coaches in the PNW. Willapa Valley HS has been proud to say we attend BNB Camps!"

John Peterson, Retired Coach

"BNB Camps.....best value out there. Focused on small schools, BNB provides opportunity for a program-changing experience every summer. The directors always work to create the best environment for the players and coaches and the competition is top notch."
