# ABOUT US

## ABOUT US

Our mission:

Zonta International envisions a world in which women's rights are recognized as human rights and every woman is able to achieve her full potential. In such a world, women have access to all resources and are represented in decision making positions on an equal basis with men.

Every two years, the members of Zonta District 9 gather to conduct conference business and network with fellow members.

Promote your business or organization to 100 professional women from California, Arizona, Hawaii, Utah and Nevada. Attendees represent over 450 members from 25 Zonta clubs.
