

## A Unique Tool for Services Pros

- ✓ Pre-load with details of your service visit
- ✓ A unique leave-behind the homeowner will continue to use
- ✓ Keep your service business top of mind with your customers

### Homeowners Use It To:

- Track Paint Colors, Filters, Bulbs
- Record Services at the Home
- Virtual Home Project Scrapbooks
- Track Appliance Warranties
- Store Home-Related Notes/Documents
- Create Reminders/Checklists For Home To-Dos

*From Paint Colors to Possessions to Plumbers To Virtual Project Scrapbooks*

A great way to track everything about a home and everything that is valued in it

## Keeps the Service Pro Top of Mind and Increases Marketing Reach

- White-labeled with your branding
- Dedicated page to present coupons, your contact info, and a list of services you have provided
- Your business card on all important pages accessed by the homeowner
- Tap into and leverage the social networks of your clients

## Program Costs

- ✈ Free to distribute
- ✈ After 2 months pay a monthly or yearly fee to keep your branding in front of the client.
