FAIRS FOREVER

A Transformational Campaign to Support Lorain County Fair

NAMING OPPORTUNITIES

The Fairs Forever Campaign welcomes your support for the construction of three (3) new buildings at the Lorain County Fairgrounds. We are seeking donors who are interested in naming rights for the new structures. Other structures and areas can be negotiated if the donor requests different naming rights.

These buildings will not only enhance the fair experience for our young people but will be used year-round for a variety of shows, for example, animal shows, rodeos, tractor pulls, volleyball tournaments, wrestling tournaments, horse shows, jackpot competitions, weddings, trade shows, and many other events.
