Marked Patrol Vehicles

Highly visible vehicles clearly branded to deter unwanted activity and demonstrate an active security presence at your premises.

Random and High Visibility Scheduled Patrols

A strategic blend of scheduled and unpredictable visits to increase deterrence and reduce the chance of targeted incidents.

Premises Checks (Doors, Gates & Fence lines)

External inspections of key access points and boundaries to identify signs of tampering, forced entry, or suspicious behaviour.

Incident Detection and Rapid Escalation

Any suspicious activity is reported immediately to your nominated contact or escalated to authorities per your site's instructions.

Detailed Incident and Activity Reports

Concise, structured reports delivered daily, weekly, or as required, tailored for property managers, business owners, and compliance.

Tailored Patrol Solutions for Every Business

Flexible options to match your site's risk profile and operating hours

Business Basic

Scheduled perimeter patrols conducted after-hours.

Ideal for offices, clinics, and small retail shops.

Business Plus

A strategic mix of scheduled and random patrols.

Best suited for retail, light industrial, or sites with moderate exposure risk.

Business Elite

High-priority coverage with multiple patrols per night and rapid alarm response.

Perfect for high-risk, high-value, or vulnerable sites.
