A Warm Message from Julian

As we reflect on the trials and triumphs of 2024, I am filled with optimism for the year ahead. Though my greeting may be belated, I wish each of you a happy and prosperous 2025. This year marks a pivotal moment for our business as I transition from the physical demands of the role to focus on our exciting expansion plans. We are thrilled to announce a significant investment of £100,000 in new equipment and the creation of four new jobs as part of our ambitious goal to add up to 20 positions over the next 18 months.

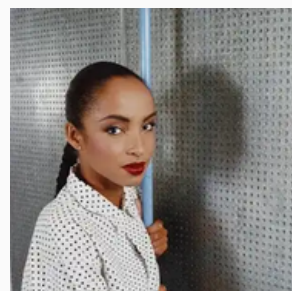

Our growth means we are actively seeking skilled roofers, window cleaners, gutter repair technicians, and dynamic office staff. If you or someone you know is considering a career change, we would love to hear from you. We've also upgraded our uniforms and will soon introduce ID cards to ensure our team remains professional and presentable.

Customer feedback is crucial to us, and we encourage you to share your experiences. Should we exceed your expectations, please leave a review using our Google reviews link. For any concerns, feel free to contact me directly at julian@invitari.co.uk.

We are excited to enhance our services with a new, state-of-the-art van for ladderless window and gutter cleaning, made possible by our partner, Ionic Systems. Additionally, our new dedicated roof repair service is ready to tackle any job, big or small. Thank you for your continued support as we enter this promising new chapter.

Sade- Young Lion

Helen Folasade Adu CBE, known professionally as Sade Adu or simply Sade, is a Nigerian-British singer, known as the lead vocalist of her band Sade. One of the most successful British female artists in history, she is often recognised as an influence on contemporary music.

IMMUNE BOOSTING 'SUPERFOODS'

Echinacea

Echinacea is renowned for its potential immune-boosting properties, making it a popular choice for preventing and treating colds and respiratory infections. Rich in antioxidants and anti-inflammatory compounds, it may help reduce the duration and severity of illnesses. You can use echinacea in various forms, including teas, tinctures, capsules, or extracts. For optimal benefits, consider taking it at the onset of symptoms or as a preventive measure during cold and flu season. Always consult a healthcare professional before starting any new supplement regimen.

Spotlight - Albrighton Centre

The Albrighton Centre has been mentioned once before in our spotlight section but as the work they do in our community has a wide reach it worth highlighting their work once again.

The Albrighton Centre, located near Dog Kennel Hill, serves as a vital community resource dedicated to supporting individuals and families in need. By collecting food, clothing, and small electrical items, the centre plays a crucial role in alleviating poverty and providing essential supplies to those facing hardship. Its welcoming environment encourages community involvement, allowing residents to donate items they no longer need while also offering a space for those in need to access valuable resources.

In addition to its collection efforts, the Albrighton Centre fosters a sense of community by organizing events and programs that promote social interaction and support. Volunteers play a key role in its operations, helping to sort donations, distribute goods, and engage with the local population. Through these initiatives, the centre not only addresses immediate material needs but also strengthens community bonds, creating a supportive network for individuals facing challenging circumstances.

Payments

When making online banking payments to Invitari, adding the invoice number to your reference will enable us to match up payments and prevent unnecessary reminder notices.

Appointments

Most of the calls we get on a daily basis is through word of mouth. This is due to the many happy customers we have served over the years who have referred our services to friends, families and strangers that have asked for trusted traders.

It is because of this that Invitari Ltd is often booked up to 6 months in advance which means that if our team are turned away on the day of your booking, it can often be difficult to find a convenient day to reschedule. We understand that sometimes it will be necessary to reschedule and therefore we will do our best to meet your needs. Please see our full list of Terms and Conditions for cancellations and rebooking, available on the Invitari Ltd website (link below)
