BUILT ON TRUST

We have a new number!!!

Some of our customers will remember that not all calls were getting through to us. We have stepped away from the service provider managing our VoIP telecommunication and are working with a company we are confident will allow our customers to speak to us when they need us.

We hope you are able to save the new number and we look forward to speaking to you all very soon.

IMMUNE BOOSTING 'SUPERFOODS'

Superfood Sweets: Rum Balls

We all know that too much sugar of any kind is not good for us, but these rum balls are made with coconut sugar, which has a lower glycaemic load than white sugar.

Plus, they are bite-size treats, so enjoying one occasionally as a treat over the festive season is nothing to feel guilty about.

Did you know?

For thousands of years, the 28th December has been considered to be the unluckiest day of the year

Payments

When making online banking payments to Invitari, adding the invoice number to your reference will enable us to match up payments and prevent unnecessary reminder notices.

Christmas Lights Installation

The Christmas Lights Installation was a big hit with many of our customers and all available slots have now been taken.

We hope to be able to offer this service again next year.

Appointments

Most of the calls we get on a daily basis is through word of mouth. This is due to the many happy customers we have served over the years who have referred our services to friends, families and strangers that have asked for trusted traders.

It is because of this that Invitari Ltd is often booked up to 6 months in advance which means that if our team are turned away on the day of your booking, it can often be difficult to find a convenient day to reschedule. We understand that sometimes it will be necessary to reschedule and therefore we will do our best to meet your needs. Please see our full list of Terms and Conditions for cancellations and rebooking, available on the Invitari Ltd website (link below)
