Sleeping with Sirens - November

Creating a positive song relating to the month of November can be a challenge, but not for the band Sleeping with Sirens. Their song 'November' is easily our anthem of the month as the uplifting tune enables the release of endorphins helping us to manage the dark and cold nights as they draw in.

The lead vocalist and keyboardist Kellen Quinn, makes reference to the seasons of his hometown of Oregon during the month of November whilst simultaneously declaring the idea of facing your fears and moving away from all you know to find a better life. Click on the link below to see if you agree.

IMMUNE BOOSTING 'SUPERFOODS'

Packed full of vitamins and minerals, including vitamin A, vitamin C, iron, calcium and potassium, figs are a nutrient powerhouse.

Naturally sweet, figs are a healthy alternative to suit your cravings. But why limit them to just a sweet treat? Figs are just as delicious when included in a salad or a sandwich.

Have you ever wondered what it is that is blocking your guttering?

Other than the expected collection of leaves and debris which come with the swirling winds of the season, it is surprising what you can find during a deep clean.

Below are the top 5 unusual things found by the Invitari team during a gutter clean;

- A pigeon carcass
- Litter
- A child's toy - discarded from a bedroom window
- A wasp nest - thankfully inactive at the time of removal.
- A used firework

It is the last item that reminds us that Fireworks Night will soon be upon us. Once the cacophony fades away for yet another year, it is worth remembering that Invitari Ltd offer a full gutter inspection service with the use of a gutter inspection camera showing real time footage of possible blockages.

NOVEMBER OFFER

Receive a complementary underlay support tray with every new gutter installation, fitted in the month of November 2023. A saving of up to £300.

Support trays prevent felt sagging and water ingress, protecting your home from water damage.

Offer expires 30th November 2023

Appointments Available

Did you know?

The weak points of a guttering system are often at the joints, such as gutter unions. Over time, the weight of heavy downpours creates sagging leading to leaky gutters.

Urgent Notice!

Our Terms and Conditions will soon be changing so please do read the T's & C's thoroughly when accepting future quotations so you are fully up to date with how Invitari Ltd support our customers.

Appointments

Most of the calls we get on a daily basis is through word of mouth. This is due to the many happy customers we have served over the years who have referred our services to friends, families and strangers that have asked for trusted traders.

It is because of this that Invitari Ltd is often booked up to 6 months in advance which means that if our team are turned away on the day of your booking, it can often be difficult to find a convenient day to reschedule. We understand that sometimes it will be necessary to reschedule and therefore we will do our best to meet your needs. Please see our full list of Terms and Conditions for cancellations and rebooking, available on the Invitari Ltd website (link below)
