**Supplemental Credit Data to be submitted with application:**

1. Audited financial statements for the previous 2-years, annual report, 10-K reports or other filings with regulatory agencies which discuss financial status.
2. List of corporate affiliates, parent companies and subsidiaries and any available reports from credit reporting and bond rating agencies.
3. Financial data from corporate parent which may be relevant to satisfy credit worthiness criteria.
4. Disclosure of prior bankruptcy declarations by company, predecessor and parent company.

**Release:**

The information provided on this form is accurate and true. The undersigned hereby releases any of the aforementioned references to release data requested by South Bay Energy Corp. necessary to perform a credit review.
