Agreement to Sell and Purchase Energy: This is an agreement between South Bay Energy Corp. ("ESCO" or "Company") and the undersigned customer (Customer) under which Customer shall initiate energy service (electricity) and begin enrollment with ESCO (the "Agreement"). Subject to the terms and conditions of this Agreement, ESCO agrees to sell and deliver, and Customer agrees to purchase and accept the quantity of energy, as estimated by ESCO, necessary to meet Customer's requirements based upon consumption data obtained by ESCO or the delivery schedule of the Local Distribution Company (the "LDC"). The amount of energy delivered under this Agreement is subject to change based upon data reflecting Customer's consumption obtained by ESCO or the LDC's delivery schedule.

Terms and Conditions

Term: For Variable Rate Renewable Electric service this Agreement shall commence as of the date Customer's notice regarding the change of Customer's provider to ESCO is deemed effective by the LDC, and shall continue on a month-to-month basis until ESCO or Customer cancels the Agreement. The Customer may provide written notice of termination or call ESCO at 1-877-724-9010 or call their delivery company to terminate the agreement. ESCO may terminate this Agreement by providing 30 days' written notice to the Customer.

For Fixed Rate Renewable Electric service this Agreement shall commence as of the date Customer's notice regarding the change of Customer's provider to ESCO is deemed effective by the LDC, and shall continue for the Initial Term. At least 30 days and no more than 60 days prior to the renewal date, ESCO will notify Customer in writing of the terms of renewal of this Agreement and of the Customer's right to renew, reject or renegotiate this Agreement. Upon expiration of the Initial Term, Customer will be provided the option to: (i) enter into a new agreement via affirmative consent, (ii) renew on a month-to-month basis (each such month, a "Renewal Term") with no change to remaining terms or (iii) be returned to Utility service. If Customer does not select one of the above options before the Initial Term expires, at the ESCO's discretion, the Customer will be returned to Utility service.

Customer shall have 3 business days from receipt of the first billing statement of the Renewal Term to reject renewal terms and cancel the renewal agreement. While receiving service on a month-to-month basis, such notification will be provided only for the first renewal occurring at the end of the Initial term. Customer or ESCO may cancel or terminate this Agreement by providing 30 days' advance written notice of termination to the other party.

The following is applicable to residential customers and any commercial customers solicited door-to-door: For any renewal of this Agreement (including a change in rate for a variable-rate month-to-month product), ESCO must obtain the Customer's express consent if the renewal offer contains any material change to the terms and conditions of this Agreement, including a change in rate structure or product type. If ESCO does not receive express consent to a renewal with Material Changes, the Customer will be returned to utility service.

Price: The price for products sold under this Agreement is described on the Customer Disclosure Statement ("CDS"). The price for all energy sold under this Agreement shall include and be subject to all applicable taxes. In addition, the following conditions apply

- **Variable Rate Renewable Energy Product:** The price changes each month reflecting the cost of energy, capacity, RECs, settlement, ancillaries, related transmission and distribution charges and other market-related factors; plus all applicable taxes, fees, charges, costs, expenses and margins. This product does not guarantee savings.
- **Fixed Rate Renewable Electricity:** The price is identified on the CDS on a per kWh basis, plus all applicable taxes. Products for the renewable electric product are not subject to any price cap. If a Customer terminates the Agreement early, or otherwise breaches, ESCO is entitled to recover an early termination fee as described on the CDS.

For all fixed price products, if usage in any month exceeds the level of usage in the same month in the previous year ("Base Load") by ten percent or more, the Customer will be charged a variable price for all usage in excess of the Base Load and the fixed price for usage up to the Base Load. If the usage in any month falls by ten percent or more below the Base Load, the Customer will be charged the fixed price for all usage and shall be charged for hedging, cash out costs, settlement or balancing costs related to the positive difference between the Base Load and actual consumption. Affirmative consent will be obtained from (i) all residential customers and (ii) commercial customers solicited through door-to-door marketing before applying any additional Base Load charges.

Rescission. A residential Customer may rescind this Agreement within 3 business days after the signing or receipt of this Agreement, whichever comes first, by contacting ESCO at 1-877-724-9010 or in writing.
