### **Daniel J. Baurkot, Esq. – Easton, PA – 2021 Forged Commercial Lease Case**

I cannot thank you enough for the assistance you provided in this case. My client was trying to remove an individual from his commercial property. This individual created a fictitious lease and forged my client's signature. With your numerous exhibits we were able to stave off the unscrupulous efforts by this individual.

### **Melissa Rudas, Esq. – Easton, PA – 2021 - Two Separate Cases of Denied Signatures on Mortgages**

I just wanted to let you know that the two cases you assisted me with have settled. I greatly appreciate your assistance with these matters.

### **John J. Brier, Esq. – 2018 - Sued in 2 Tunkhannock, PA Courts – Victim of a Forger and an Imposter**

The Imposter “Groom” used only the client’s stolen birth certificate and a badly misspelled forgery. A marriage license was obtained in Las Vegas with no photo I.D’s, and the wedding was even performed in a car. After seeing a stack of Exhibits in the first Court, the “Bride” refused to testify, dropped all of her charges and left town. In the second Court, Judge Shurtleff studied the Exhibits, heard your Expert Testimony, and annulled the fake marriage.

### **Michael Kaplan, Esq. – Brooklyn, NY – 2021 – Multiple Questioned Signatures on Mortgages Settled**

The quality of work provided by Ms. Stevens to me for more than 20 years, and the time spent by her analyzing documents and the exhibits she provides were impeccable. I highly recommend her as a document examiner.

### **Alan Drezin, Esq. - Brooklyn, NY - Paul Osborn, Famous Expert Loses Forgery Case**

We won the case. The fact that you had 65 Exhibits more than the other expert helped!

I would not hesitate to recommend you as an expert witness. Thank you for all the work in helping our client.

### **Deborah A. Wysni, Esq. – 2018 Estate Case Won – Allegheny County – Judge Williams**

I am convinced your professional testimony and over 100 persuasive exhibits convinced the Judge that there were forgeries in the case and which led to a settlement in our favor.

### **Deborah A. Wysni, Esq. – 2019 Estate Case Won – Washington County – Orphans’ Court**

With you as our Expert Witness, the other party had no choice but to settle the matter once they reviewed your Expert Report and the over 100 meticulous Exhibits you prepared. Their expert witness had NO Exhibits and his report was inconclusive. Thank you so much for all your hard work, attention to detail and professional manner.

### **Fred Lichtmacher, Esq. – 2019 Case Settled - New York, NY - Used My Services 8 Times in 21 Years**

I have won or quickly settled every case she has worked on for me, in large part because of her multiple and clearly illustrated Exhibits. I don’t know any other expert who would tell me for free whether or not I have a case. Judges apparently recognize her formidable skills and her good reputation, and treat her accordingly.

### **Mark Fabian – 2018 - Ridgefield Park, NJ – Attempted Theft of Intellectual Property – Forged Contract**

Two “Partners,” aided by a (Bronx bus driver) Notary and a Lawyer/Landlord who insisted the forged contract was “perfectly legal” tried to steal my musical. Sandy Stevens sent 80 Exhibits to the Notary authorities in Albany, NY. The Notary admitted he witnessed only the two Partners’ signatures and not mine, and surrendered his license. The “Partners” gave up their claim, and the Lawyer/Landlord evicted his Client/Tenant.

**Steven F. Kessler, Esq. - Pittsburgh, PA - Forged Will and Deed - Judge Dauer – Won 3 Cases with Me**

Your exhibits were incredible, and your ability and willingness to work with me was outstanding. We were able to receive a favorable settlement because of your work.

I appreciated your prompt service, reasonable fees and expert finesse. Judge Mulligan was very familiar with you and your credentials, and your testimony was the most important evidence in deciding in favor of our client.

**Laura Valles, Esq. - Pittsburgh, PA - Estate Case Defending Authentic Signature**

The twenty-two large Exhibits, Forgery Checklist and the Trait Similarity Chart prepared in support of your conclusions were extremely persuasive and self-evident.

This letter is to praise you for your professionalism and expertise. Both my client and my firm were impressed with the meticulous detail with which you examined all the signatures. I will recommend your services.

**Nicholas D. Krawec, Esq. - Pittsburgh, PA - Contractor Denies Signature on Guarantee**

As soon as I served him with my pre-trial statement, which contained copies of the highly detailed exhibits you prepared, my opponent "caved in" and the Defendant would not oppose the entry of Judgment against him.

**Matthew Saltzman, Esq. - Pittsburgh, PA - Bankruptcy Court - Judge Markovitz**

We were very impressed with the professional quality of your expert report and your testimony in court was unimpeachable. I believe the Judge was very impressed by your testimony and the numerous large exhibits.
