COMPLETE ON LINE SURVEY RESULTS: What sort of events would you like to see the community host?  
 (Pre-pandemic/historical events are: Easter Egg Hunt, July 4th Parade, Oktoberfest, DecHoliday Party)

1	Some sort of holiday/fundraising 5k run/walk (perhaps a turkey trot?)
2	I would like to encourage our neighborhood as a whole to decorate more for Halloween (like we do for Christmas), so that our current children and the incoming young families have a festive and welcoming environment to trick or treat in.
3	All of the above
4	Thanksgiving Day parade would be better weather than 7/4. Houghton and neighborhood cleanup social club with monthly meets. Kidswap! Swap meet among parents out of car trunks.
5	Maybe a bbq event or fall festival type event, I always liked the thanksgiving event
6	Easter Egg Hunt, Oktoberfest, December Holiday Party
7	July 4th parade. Oktoberfest.
8	More than events, create spaces for ongoing use such as more shops and definitely a coffee shop that's also a place for food and wine after morning coffee.
9	All the above
10	Monthly meet and great your neighbors Saturday breakfasts.
11	More live music concerts in the park
12	I would like to see one day a year (at least) devoted to Civano "environmental awareness," related lifestyle, and appropriate actions. There was great attention given to the environment of Civano in its early years, but from my perspective, this has largely disappeared.
13	Community picnic
14	Food trucks, Oktoberfest, anything at this point. Just would be nice to meet people
15	Community Yard Sales (this has been done before); Neighborhood Art and Craft Fairs
16	Easter egg hunt 4th of July fireworks
17	holiday lights throughout the neighborhood is always warm and welcoming and puts people in the holiday spirit, patriotic type of décor for July 4th is always nice to see too
18	All of the above, including continuing the food truck nights!
19	4th July parade Oktoberfest Art shows Easter egg hunt Lantern parade near solstice/ new year/ Christmas Spring festival
20	
21	Favorite ideas: Art in the Park.. Food Truck nights.. Easter Egg Hunt.. Halloween Treat or Treat on Civano Blvd.. Oktoberfest.. Neighborhood Friend nights... Would love to see the Luminaries down the inside trail (by the wash) on that lead to a community party at the park (where the food trucks usually go - with caroling performances - Santa Claus) .
22	Easter Egg Hunt,Oktoberfest, December Holiday Party
23	All regular events are appreciated. Perhaps introduce a Game Night (cards, board games, trivia) and a monthly Social Hour with adult beverages.
24	Food truck days, car show.
25	Bring back all of the pre-pandemic events. They really helped build community.
26	Food truck day, music in the park
27	Advertise for food truck participation to return, on every 3rd Sunday, for 'Eat in the Park' activities on John McNair circle
28	The pre-pandemic events are a nice list. Where can we find info on Civano volunteer efforts for Tucson? We will NOT use next door or other social media.

 (Pre-pandemic/historical events are: Easter Egg Hunt, July 4th Parade, Oktoberfest, DecHoliday Party)

29	I would like to see new events added along with some of the old ones.....like a spring fling....dia de las muertas parade.....tour de civano vs tour de Tucson ( where people could ride there bikes with designated stopping points for stings or raffle tickets, ending at a certain location for a gathering of food/prizes.....I haven't thought through any of these ideas, I'm just writing it down as it comes to my head....But I think it would be a good idea to add new things to attract new neighbors and spark curiosity 😊
30	Easter Egg Hunt, July 4th Parade, Music entertainment /pot luck dinner get together, Graft fair venders for Christmas Hand made Gift Ideas (like Renee use to do), December Holiday Party. GET PEOPLE TOGETHER AGAIN!!!
31	The soup suppers were a big hit pre-pandemic. I also am a member of the Men's coffee MWF mornings and would like that to continue. December is always a good time for a holiday party as well. How about a New Years party.
32	More activities for young children and teens. Oktoberfest, Holiday party and new resident welcome and orientation to the neighborhood. More residents stepping up to volunteer.
33	Regularly scheduled events have been nice.
34	All examples above and bring back the food trucks.
35	All of that
36	December Holiday party
37	It would be cool if in addition the luminaries, we could add lights to all the public green spaces (similar to what was done this past year around Richard Ashley circle). We loved the Easter Egg hunt and July 4th parade- these are really fun events for the kids. I wonder if the meals would be better attended if they were catered and a menu (with ingredients) was available. For families with allergies it is difficult to eat at a pot luck since we are unsure of ingredients. The food truck round up was a favorite - we would love to see that come back.
38	All pre pandemic events are great.
39	Earth Day, Arbor Day (re-planting trees lost during summer storms), Luminaria lighting for Christmas Eve.
40	N/A
41	What we really need are food options without leaving Civano. Some neighbors care for their spouses and
42	Coffee Hour, pot luck holiday dinners, events for children
43	oktoberfest, outdoor concerts in community center courtyard
44	All of those events! My family participated in the parade and Oktoberfest.
45	All of the above, bring back our normally scheduled functions, a neighborhood cleanup day, and more arts and craft fairs for local artisans.
46	Easter Egg hunt, July 4th parade, Holloween parade, December Holiday (including Hannukah) party
47	I think the Christmas Eve luminaria event is hands-down the best. That's a must-keep event and a tradition our family looks forward to every year. We've also participated in the July 4th Parade -- that was good -- and Oktoberfest, though that one could have been expanded to make it better.
48	Any of those events would be nice, but we need better notice about upcoming events. This sort of survey should be more frequent especially as long as we don't have in person meetings.
49	Theatrical performances of the stories of Civano and its residents.
50	Oktoberfest and December Holiday Party.
51	All of the above
52	Consider development of a lecture series on sustainable practices that Civano can either amplify existing efforts or develop new initiatives.
53	Farmers market
54	I don't have new ideas, pre-pandemic/historical sounds good to me.

(Pre-pandemic/historical events are: Easter Egg Hunt, July 4th Parade, Oktoberfest, DecHoliday Party)

55	Easter egg hunt, Halloween events, movies in the park, live music in the park, craft fairs, holiday party, annual pickleball tournaments...
56	Part time resident - nothing particularly stands out. I do enjoy the food truck events
57	Community garage sale, Oktoberfest
58	All of the above
59	Same events!
60	Egg hunt for the kids; music in the park; various food trucks on weekends
61	More social events like dinners for eight. This is a chance to meet neighbors not in your area.
62	Those a good events. Our old community used to have get together a at our Park, including dancing. Kids of all ages enjoyed the evenings!
63	Live music Fri or Sat
64	Easter Egg Hunt July 4th Parade
65	Neighborhood street challenges (ie organize groups based on location then teams compete against each other for donations for local charities could be food clothing etc)
66	HOA fees can be used in better ways than parties a small percentage of residents participate in.
67	Easter egg hunt, July 4th parade, luminaries at Christmas, Christmas lights around common areas/parks, something on Halloween would be nice.
68	Oktoberfest sounds fun. I've been to neighborhood holiday parties in the past for other neighborhoods, so that could be fun too.
69	Easter egg hunt
70	Like the idea of all listed. No particular requests
71	Anything as long as it is advertised, most I have missed because I didnt know about it.
72	All are fine.
73	Neighborhood wide efforts to support charity or marginalized and disenfranchised groups.
74	better advertisement of the food trucks, maybe more vendors would show up, events that aren't usually on Sunday
75	Luminaries twice in December. Christmas Eve and one other date. They are amazing!
76	Soup Suppers with speakers
77	Loved the "Porchfest" music festival which supported the Folk Festival. Sing-alongs (when it's safe) and outdoor music.
78	A local All Soul's Day event; Earth Day event for kids; Halloween costume party or parade for kids and/or dogs; movie night and/or a games night for kids; kite-flying event; Visit Santa Claus (w/photo op) at Civano; collage art contest; sidewalk chalk art contest; pumpkin painting; Easter egg painting for kids
79	Spring Festival, Fall Equinox
80	None. I think getting to know immediate neighbors are more important than those neighborhood-wide.
81	Oktoberfest because it is something for everyone
82	Halloween party for children
83	I would like to see more organization of block-level events so we get to know our immediate neighbors. The big events are usually on very busy weekends when we have other things happening with family, church, etc. so we don't usually make those. I would rather see effort in smaller events designed to introduce neighbors in a more intimate way.
84	Star gazing
85	Those events sound nice.
86	Monthly events such as wine tastings, ethnic food nights, cooking classes, travel exploration nights (include travel tips, etiquette, and travel ideas), art classes, school band/choir night.
87	I was not here pre-pandemic however; I suggest getting other food trucks engaged in the Food Truck around Up to include some authentic Mexican.

88	Craft/art fair, farmers market, holiday party, Oktoberfest.
89	July 4th Parade and Easter Egg Hunt
90	It would be nice to have something with diversity such as the Tucson meet yourself. Musical events in the park would be welcomed.
91	All of the above sound really good : I Would also encourage the forming of a “ village chorus group” or even a playhouse group too: I Would like to see a monthly community soup night where everyone brings a dish or just shows up etc:
92	Neighborhood cleanup day or improvement project. Food drive. Fun run/walk. Holiday party. Maybe card parties or board game nights.
93	Music in the park, art shows
94	The old ones and Memorial Day & Labor Day picnics/pitch in
95	Nonpartisan community speakers forums
96	EE Hunt, Independence Day Parade, concerts with Feagin’s Fretboard, Halloween activities
97	Concerts in the park. Movie night in the park.
98	Oktoberfest Potluck!
99	Oktoberfest, December Holiday Party, July 4th parade
100	Christmas caroling could be fun. Maybe something that Kirk Feagin could help with?
101	Host a pandemic booster shot weekend - Get a medical staff in here to administer COVID 19 vaccines and boosters.
102	All of above plus continued potlucks, food trucks, coffee klatches. Would love to see greater utilization of the Rotunda utilized all the tim
103	
104	Oktoberfest sounds awesome!
105	Easter egg hunt, July 4 parade , fireworks being managed. December- Santa in person. More meet and great opportunity with food trucks and music.
106	All of the above and a monthly farmers market in the winter months
107	Pot lucks with interesting speakers.
108	the pre-pandemic events, Veteran's Day dinner, Memorial Day Service
109	July 4th parade, October Fest, food trucks, Pet Costume Parade or Pet Parade, Stargazing night with Eegees(U of A astronomy club used to come out and bring telescopes , luminaries, community wide garage sale, Nature walk with Civano Nursery talking about the plants they planted, etc... History of Civano day...
110	Years ago we celebrated Earth Day. I also remember some fun New Years Eve parties.
111	Egg hunt and 4th of July parade.
112	All these events were great. I like the art show too.
113	I would like to see all of these activities return.
114	Oktoberfest
115	a pride event would be fun - I'm straight but I am an ally and I bet many in this community would like that.
116	More food truck roundups
117	Food truck events on a published schedule.
118	July 4th and family oriented Octoberfest. The holiday lumineras must stay
119	All the regular family events, and more organized Food Truck Rounups with many options, vendors, crafts. Also Farmers markets would be amazing!

COMPLETE ON LINE SURVEY RESULTS: What sort of events would you like to see the community host?  
 (Pre-pandemic/historical events are: Easter Egg Hunt, July 4th Parade, Oktoberfest, DecHoliday Party)

120	I like all of these community events. Would like to see more art shows. There's a void left by the coffee house closing down- it would be nice to have regular events with live music in evenings again.
121	Oktoberfest
122	Informal coffee or cocktail gatherings - not structured like the current Men's and Women's coffees, but just a two hour window to gather in a courtyard or the rotunda and just chat informally
123	These are nice events for kids/families. We choose not to participate. It's just not our thing. We would like compliance with homeowners taking Christmas hats off of their cactus. Last year several homes on Civano boulevard still had Christmas hats on in February. I thought I remembered an email that said you had to have holiday decorations down by a certain time. Santa hats are definitely holiday decorations. Some of them actually started to look like rags. This is not a good look for the neighborhood. There are other things that can be used to protect your plants from frost. I use them.
124	9/11 Walking Challenge, Veterans Day Celebration, New Years Eve,
125	How about Hispanic Heritage Month? And Black History Month? Oktoberfest sounds great. Community garage sales? A Baking contest?
126	All of the events that have been held in the past have been awesome. Easter, 4th of July, Oktoberfest, Christmas/Holiday party. The soup suppers were great. It will be nice when we can all meet together again. We love the food truck round up.
127	Community jazz band
128	July 4th parade, Easter egg hunt, pumpkin patch/hayrides, spring fair and 5k
129	Easter Egg Hunt, Oktoberfest, Artisan & Craft Fairs, Holiday Party, Community Yard Sale
130	Annual craft fair, Oktoberfest.
131	Kid friendly events: Easter egg hunt; photos with Santa; trunk or treat
132	Focus on children's events.
