Presidents Report

No news is good news.

Sunparlor RC Flyers

Meeting January 5, 2026

Meeting at the Windsor Flying Club was called to order by President Murray Inverarity @ 6:59 pm. We had no new members or guests present.

Murray requested a motion from the floor to accept the minutes from our last meeting on December 1st as posted in the Emitter. Dan Wright put forward the motion with the seconder being Gary Bryce. The motion carried.

Treasurers Report

Jim Bridge reviewed our present bank balance and listed our total assets to date.

Jim motioned the floor to accept his report as published and stated. Secunder was Tom Lee. Carried.

Old Business:

Murray reported the new lock installed at the field gate is still using the 2025 membership card code. He will advise when the code has been changed to this year's numbers.

Murray then brought up the previously discussed outing to the (Wright-Patterson) National Museum of the US Air Force in Dayton Ohio. The trip date is set. Leaving home Monday early morning March 9th and returning late Tuesday afternoon March 10th. Overnight hotel stay is coming in at \$200.00 CAD. With two double beds to accommodate at least two people. Murray sent around a sign-up sheet at the meeting and Mark Isherwood will post an email to the membership with more details, sign up, room payment and car-pooling info.

Murray mentioned again we still have not had anyone show interest in taking on the lawn maintenance tasks for next season and to please put some thought into this. Contracting the work would be a major expense for the club.

New Business:

Murray reiterated his request to the membership for new projects for field related improvements. He asked that we put some more thought into what we would like to see and bring your ideas forward for further discussion and action.

Murray also brought up our traditional annual spring mall show. Our contacts at Devonshire Mall have lapsed and we may have to pay for an area venue to stage the show this year. This prompted a discussion regarding the timing and success of the show. We have not experienced a great deal of new membership although there did appear to be interest. Some members suggested we look for a different venue and time frame. Perhaps a major event e.g. Harrow Fair or Tecumseh Corn Fest. We decided to forgo the mall show for this year and investigate further into a different venue and time frame.

Murray presented a motion to close the meeting at 7:32 pm. as the World Juniors Hockey metal round was playing. Dave Borland made the motion with Tom Lee the second. Carried.

The 50/50 draw winner was Gary Bryce \$55.00 Congratulations!!!

Attendance

Mark Isherwood	Todd Winger
Dan Wright	Bill Green
Gary Bryce	Mike Ouellette
Jerry Beneteau	Roger Damore
Kaz Sawiak	Greg Meyer
Graham Cowan	Dave Borland
Jim Branch	Rob Morissette
Kelly Hickmott	Joe Gibson
David Doyon	Jim Bridge
Larry Hawksworth	Alfons Conzen
Massimo Cardelli	John Weales
Tom Lee	E. Rizk
David Copico	Ron Harway
Mike Bechard	

Ramblings Off The Green

Well this winter is making up for all the previous milder ones we have had.

Good reason to hit the indoor flying Wedensdays. Turnout has been great even with the crappy weather. Always lots of fun and lots of new intersting aircraft designs to watch being tested. Always a good crew that shows up from the Southern RC Flyers. I've always built my indoor airplanes without wheels, Cant remember why. Decided to fit some wheels on an airplane, you know, so I can do indoor touch and goes.

That's why I don't like wheels

The trip to Dayton Airforce museum is approaching fast, Just about every aircraft you can imagine sans Navy aircraft like the corsair. LOL

Well worth the trip if you have never been, Probably do some hobby shopping while there.

Don't forget to renew your MAAC membership and send a copy of your membership card to your email, No more snail Mail cards.

Finally get those airplanes ready to fly, the warm weather will be coming up fast..

FIELD RULES AND GUIDELINES

FIELD RULES

- 1) Any actions contravening to the following rules and /or the M.A.A.C. rules are subject to a warning. Continued disregard for the rules and guidelines by any individual will be reviewed by the executive board with the possibility of not being welcomed to return to our club.
- 2) The field and facilities are to be used by members who are in possession of a current M.A.A.C. and SPRCF club membership. Any out of county guest may use the club's facilities up to three times per year if accompanied by a club member. This guest must have proof of a current M.A.A.C. membership. (insurance)
- 3) Access to the Tower Field is from the 4th concession by the road adjacent the south boundary of the field.
- 4) Parking will be limited to the gravel lot which is bordered by railroad ties, on the south side of the pits and runways, with exception to special event.
- 5) All areas of the field will be kept clean. Each member is responsible to remove their own garbage. If you are a smoker do not throw your butts on the field or in the portable toilet you must take them home with you.
- 6) Pets are permitted in the parking area on a maximum 10-foot (3 meter) leash. It is the owner's responsibility to clean up after their pet.
- 7) No smoking beyond the spectator safety fence will be permitted at any time.
- 8) Cell phone use is to be limited to spectator and parking area only.
- 9) Any member under the age of 16 years must be accompanied by a parent or guardian when at the field.
- 10) There will be no alcohol or illicit drugs consumption permitted at the field at any time.
- 11) You must show proof of current M.A.A.C. membership before being issued a club membership.
- 12) Members who have not obtained their level 1 restricted wings (fly only the aircraft you were trained on or one similar in performance) are not permitted to fly without an instructor alongside said member during flight.
- 13) You must have your Maac member number and either Maac's Phone number or yours, either inside or outside of the aircraft.
- 14) You must taxi out to runways via taxi ways only.
- 15) NO internal combustion engine operation (except for field maintenance equipment) is permitted between 8:00PM and 9:00AM on any day of the week.
- 16) All aircraft with combustion engine MUST meet the noise limitations of 90 dB at a distance of 7 meters before allowed to be used at Tower field. Suspect aircraft will be tested at a 360-degree perimeter at full throttle with the average recorded reading by the sound meter set to level "A" and "Slow" being used.
- 17) It is the responsibility of anyone operating a gasoline or turbine powered (not Glow) aircraft to have a suitable fire extinguisher with them at the starting box at all times.
- 18) Any turbine powered aircraft must use a reasonable means of deflecting exhaust during start up as to not damage the field and surrounding properties.

SPRCF GUIDELINES

- 1) **PLEASE RESPECT YOUR FIELD**
- 2) Flyer's will cooperate with the method of frequency control approved by the club. If you cause an aircraft crash due to interference and it is proven that you are at fault, you will be required to replace the lost aircraft or provide the cash value for damages.
- 3) Aircraft will be prepared for flight on one of the cements starting pads or raised starting stations with the aircraft's forward direction facing the flight field. Do not start or arm engines in the pits. This also applies to battery powered electric aircraft
- 4) All flyer's are required to display their current membership card at the frequency box while occupying the field.
- 5) No flying over the pits, parking lot, spectator area or restricted (no fly) zones. Know that the flight line is always beyond the petro mat.
- 6) All runways and grass landing area should always be kept clear for emergency landings. Please note it is mandatory to call out landing prior to a landing attempt.
- 7) Landings will be made with the pilots back to the pits.
- 8) Prior to a low fly by, no person should be on the field beyond the pilot line. All low fly-bys must be called out.
- 9) When more than one aircraft is in the air, pilots must fly in the same circuit or in different sections of the field as decided by mutual agreement between the pilots flying at that time.
- 10) NO Flying in the no fly zones that are posted at the field and included in this document.
