Presidents Report

Sunparlor RC Flyers

Meeting October 5, 2026

Meeting at the Windsor Flying Club was called to order by President Murray Inverarity @ 7:01 pm. We had one new returning member present. John Sorensen, a traveling Windsor native who had memberships in clubs in Sarnia, Woodstock and has now rejointed our club. Welcome John!!!

Murray requested a motion from the floor to accept the minutes from our last meeting on April 13th as posted in the Emitter. Bob Veres put forward the motion with the seconder being Dan Wright. The motion carried.

Treasurers Report:

We were unable to put forward a treasurer's report as Jim Bridge was not available to attend this meeting. We will review the reports upon Jim's return hopefully at our next meeting.

Old Business:

Murray reviewed our successful spring field day work party on Saturday April 25th. We were able to perform necessary fence repairs, runway tear repairs and re-stapling, complete shed gutting and re-organizing, and maintenance service work on our field lawn mower. Another party a couple of weeks later saw the benches receive a coat of paint and fence modifications making it easier to navigate around the shed. The field looks better now than it has in some time. Rob Morrison took over the lawn maintenance duties and has been doing a "Bang Up" job.

Murray also put out a special thanks to Mike Salter who with the help of Bob Veres, Gary Bryce and a few others were able to CD & stage our successful field fun fly / BBQ events in May & June.

New Business:

Murray announced our indoor flying season starts on Wednesday Oct. 14th and continues most Wednesdays through April next year. Everything is set up at the Libro Centre indoor soccer field in Amherstburg from 1:00 to 3:00 PM. Flying fees will remain at $10.00. Massimo will maintain the flying schedule dates on our club website so the membership can confirm field availability dates.

Murray requested if there were any other concerns, maintenance or repairs at the field we should be considering. Our present failing gazebo condition was brought up. We will take a look at repairing/replacing /removing the present structure or other options that may be considered. More to come on this.

Murray requested a motion to close the meeting at 7:26 pm. Dave Borland made the motion with Massimo Cardelli the second. Carried.

The 50/50 draw winner was Elie Rizk $42.00 Congratulations!!!
