Mission Statement

Behold Him exists to to disciple followers of Jesus and make widely-known the healing beauty of Jesus through heart healing and creative connection with Christ.

The Elijah House 201 Heart Healing Essentials and 202 Advanced Heart Healing training have a two fold purpose: 1) to explore the unbelieving parts of your heart and bring them before the Lord and our small group for healing and, 2) to train you to minister healing to others.

Elijah House Ministries exists to train those who will be on the front lines to minister heart healing and that informs how they operate and deliver this course. Because the heart of Behold Him is that all people have access to and experience the healing, transformative gospel of Jesus, **your experience of this course is going to lean more towards applying these principles first to yourself and then to others if God so leads.**

Informed Consent to Terms and Conditions

By registering for either course 201 or 202 and completing the onboarding process, you acknowledge and agree to the following:

Behold Him is a ministry initiative of Intentional Worship Ministries (“IWM”) which is a 501(c)(3) non-profit public service organization and these names may be used interchangeably throughout this document in full or abbreviated forms.

Because we are dealing with the hearts of people, the courses can, at times, be very intense. Personal responses to lessons and small-group interaction may evoke an array of emotion: anger, prejudices and resentments, apprehension, anxiety, insomnia, depression, dissociation, etc. Note: If a crime is confessed in a small group during the course, the Instructor of your small group will need to report it in accordance with the laws of the state of Idaho and/or applicable states.

Because of time constraints, all of your personal life issues will not be dealt with during the course. Heart healing is a life-long process. However, you will learn tools to pursue further healing, so you may want to pursue heart counseling once the course is complete. If you feel there are significant issues which need to be addressed, ministry or counseling prior to your enrollment in the course is advisable. If you are currently seeing a secular counselor or heart counselor, we ask that you discuss participation in the course with them.

By registering and completing this application, you accept the course enrollment information and requirements outlined as follows.

You agree to respectfully abide by the determination of Behold Him as to the suitability of your attendance. You agree to indemnify and hold Elijah House, Behold Him, its affiliates, and its staff and leadership harmless for any of your personal responses to the lessons and small group time during the course. You also agree to indemnify and hold Elijah House and Behold Him harmless for any costs incurred on your part in time, travel, accommodations, or other incidentals, should the course be canceled, your acceptance be delayed, or you are asked to discontinue the course to seek ministry before continuing at another time.

ATTENDANCE AND CONFIDENTIALITY—Attendance and participation in all ten small group sessions honors members and builds trust within the group. Confidentiality is required—personal information shared within the group must not be shared with anyone. Likewise, please attend the online group sessions in a quiet, private space with no one who can listen in. Attendance to all online group sessions is highly recommended. In order to graduate this training you cannot miss more than two group sessions. Please communicate any absence as soon as you can to the instructor, plan to complete weekly lessons and watch the recording of the group session.

Due to the sensitive nature of Elijah House heart counseling training, we require each student to have a pastoral reference for accountability purposes. Occasionally, it is determined that individuals enrolling in our training require some counseling prior to

attendance. In such cases, Elijah House and Behold Him reserve the right to direct individuals to an active heart counselor and/or medical professional.

You understand that you may be filmed, photographed or recorded during an online group for use in future training events and advertisements, for display without using your name, and you give permission for use of your image/picture/words in this way.

The fee for Elijah House training is \$749. Although IWM is 501(c)(3) non-profit, please note that because you are receiving a service, only the amount that you might give over and above the training tuition is tax-deductible.

WITHDRAWAL/DROP/REFUNDS– If the need to withdraw from the course arises, Behold Him will refund the student \$469 if withdrawn in writing and approved by Behold Him before the course begins but the remaining balance paid is non-refundable. If a student withdraws in writing and it is approved by Behold Him within 3 days of the course start date (not the first small group meeting), Behold Him will refund \$269 to the student but the remaining balance that was paid is non-refundable. Behold Him will work with the student to apply the tuition paid to a future course within one year of the original course start date. There will be an \$89 drop fee to cover the administrative costs of switching course dates. If the course is not taken within a year all tuition paid is non-refundable.

Behold Him is an equipping and healing ministry; therefore there may at times be an intern or other approved ministry partners in the sessions. All interns and ministry partners are trained and legally bound to maintain your confidentiality. You may at any time choose to decline the presence of an intern or ministry partner in your session. In addition, Alyssa Flaten has a pastoral team that acts as spiritual oversight and may consult with them concerning your ministry for educational and ministry purposes only.

The heart counselor, as a credential pastor with the Assemblies of God is required by the AG network to report information concerning anything that presents a clear and substantial danger of harm to others or to you, or any case of current and/or ongoing abuse (mental, physical or sexual) of a child or of an elderly or vulnerable adult.

All counseling and training sessions with Behold Him are based on Biblical concepts, specifically using prayer to God the Father, relying on the lordship of Jesus Christ and depending on the power of the Holy Spirit.

The heart counselor is not a licensed therapist, counselor or life coach. We do not work with insurance. All sessions are voluntary on your part. However, we ask that you participate fully and commit to the suggestions and guidelines of the session time to get the most out of the experience. The heart counselor reserves the right to discontinue counseling or training at any time. However, should the heart counselor be the one to choose to discontinue meeting, he/she will provide you with at least one referral for follow-up care.

As an equipping ministry Behold Him occasionally uses examples/stories from others to illustrate the effectiveness of heart counseling. If you wish to grant us permission to use an anonymous version of your story in our teaching and marketing materials,
