Attendance at all practices and games is required unless a written excuse is submitted prior to an absence. An athlete must be present for more than half of the school day to participate in any games or practices that day.

Students are required to earn the minimum of a C- average in order to participate in after-school events. Eligibility is intended to encourage high academic achievement and not to discourage participation in activities outside of the classroom. Students declared ineligible have two weeks to show substantial improvement. A notice of ineligibility will be sent home by the classroom teacher.
