Executive Officer

Zirakpur remains deprived of categoric basic facilities

Corruption as before in Girish Verma's times, continues unabated

Commissioner News Service

Zirakpur : As quoted by Kharar MLA Anmol Gagan Maan Labor minister on Friday Chief minister Bhagmant Maan was committed to speeding up extensive development of basic facilities here, Zirakpur remains deprived of such glaring requirements. No acceleration of development spree has been seen in the

past 15 months, point out several elderlies. Prominent daily papers are suffice to pinpoint the non-adherence to master plan in the town. The face lift of the town is for behind than the neighbouring towns like Panchkula, Mohali and Chandigarh which enjoy full civic facilities. Despite 3 building inspectors, one assistant engineer

in field, yet the illegal constructions are seen thriving. unnoticed, perhaps accepting peanuts in exchange of favours. The AAP government may carryout an urgent survey, to confirm the quantum of unapproved structures in the local Municipal jurisdiction. It is practically unthinkable to lay a single brick in Chandigarh, P'kula and

Mohali in contravention of their master plan . The master plan of Zirakpur perceptibly has been thrown away in dust bin by the governing committee. How the uniform development of the town can take place About the perplexing issue of unauthorised constructions, building inspectors and Lakhvir Singh have not been reporting accurate

pictures of erratic structures coming up in Ananta housing project, Steller Homes society at Kishan pura, Dhakoli and many other places. The working of sewerage and sanitation has reached beyond a bearable point where residents are breathing hard while trudging their way to their destination. Mr Ravneet Singh Executive

Officer having enough resources does not steal time to get it repaired. In no way the Municipal Council can be said a poor entity or running out their budgetary limits. Let the local municipal authorities claims any complacency on sanitation where sweepers are not turning for 2 to 3 months in many wards of town.

Besides chlorine, sodium chloride and sodium hypochlorite which do act as agents for disinfecting and sanitizing the process, the task remain herculean with high costs not easily bearable. We are having no alternate apart from shaking hand with unscrupulous municipal officials and would continue until we find easy way

guided by some experts comment the masses of the unplanned city. The facility of using officials channels without paying any fee is being overlooked by the MC sleuths or behind the curtain, charges are being received. Despite many efforts there was no response from Ravneet Singh Executive Officer on Tuesday.

Fate of WFI chief hangs in balance ?

The BJP's misfortune is that some of the girls involved in the complaint against Brij Bhushan are not pushovers. It will be difficult for the Sports Minister to get around them. These girls are internationally known medal-winners. When wrestling, they refuse to surrender even if the odds are stacked against them. That trait is apparent here as well. Finally, a chargesheet has been filed against Brij Bhushan. However, had he been an Opposition leader, it would not have taken more than a few minutes for his arrest. He would have landed in Tihar jail. Fortunately for him, he has an 'insurance cover'. He is with the party in power! Brij Bhushan came to the adverse notice of the Mumbai Police in 1992. It all started with a shootout in JJ Hospital, where a gangster, Haldankar, owing allegiance to a gang inimical to Dawood Ibrahim, was admitted for treatment. The man had been arrested for shooting Dawood's brother-in-law. He was guarded by two policemen. Dawood hired a hitman belonging to the gang of Subhash Singh Thakur to kill Haldankar. Subhash hailed from UP and was known to Brij Bhushan. The hitman entered the room which Haldankar was occupying and shot two policemen before pumping bullets into the gangster. The hitman then sought shelter in a suburb of the city. This was arranged through the good offices of a Congress leader from UP, Kalpnath Rai, who was a minister in the Central government, claimed the CBI. The gang war did not end there. Its reverberations were felt in far-off Nepal where three men were killed in retaliation. SS Suradkar, DIG (Thane), learnt that Brij Bhushan had sheltered Bhai Thakur, a Mumbai-based ganglord, at the behest of Subhash Thakur in his official MP's residence in Delhi for many days in 1993. Suradkar told me that he had collected good evidence against Bhai Thakur and his gang and had sought the DGP's permission to prosecute under TADA another senior police officer, whom he felt was protecting the gang, and Brij Bhushan. The Modi government had refused to act swiftly against BJP MP Brij Bhushan Sharan Singh. The story about his 'sexual exploits' refuses to fade with time, like most such stories do. And the women wrestlers refuse to back down despite the efforts of the Sports Ministry. On Sunday, Brij

State consumer commission orders builder to pay Rs 40K to complainant for deficiency in services

Commissioner News Service
DERABASSI : Ashwani Gautam himself argued his case that the builder was not entitled to receive the amount for open car parking. Gautam had also said that the builder handed over the possession of the apartment on March 3, 2015, whereas he produced the completion certificate in the court in much later date (24.9.2019). The Consumer Disputes Redressal Commission, Punjab, has directed ATS Infrastructure Pvt Ltd and ATS Golf Meadows to pay a compensation of Rs 40,000 for causing mental agony and harassment and litigation fee to Ashwani Gautam, an

ATS Golf Meadows resident. The panel also ordered refund of Rs 50,000 open car parking charges along with 8 per cent interest from the date of deposit till actual realisation. The court held it as a clear cut case of deficiency in services on the part of the builder. The complaint was initially dismissed by the state commission on the ground that the complainant was not a consumer but a real estate agent. The complainant filed an appeal in the National Consumer Disputes Redressal Commission which held him as a consumer and directed the state commission to decide the complaint on its merit.

All-weather pool of Chandigarh Golf Club's to open by month-end

Commissioner News Service

CHANDIGARH : All-weather swimming pool of Chandigarh Golf Club would be made operational by the end of this month. The existing indoor pool has now been converted into a full all-weather facility to make it operational across the year by installing a new heating system. The management had decided to convert the pool, which was facing seepage issue for the past several years, into an all-weather facility during their annual general meeting held in January this year. The pool is likely to be open in the next 10 or 15 days. The pool, having maximum depth of 12 feet, was losing hundred litres of water on a daily basis due to seepage. Earlier, the water was heated through solar panels, which enabled the facility to open for a partial period in summers. "The old pool has been repaired and converted into a

full all-weather facility for members. It took almost four months to complete the project. We have adequate and professional staff to run the pool across the year, including winters," said Lt Col HS Chahal, president, CGC. "The pool will now function both during winter and summer season. The House passed a budget of Rs 73 lakh (approximate) to revamp the pool. It will be a great practice platform for the youngsters. We have two lifeguards and the pool will be functional as per the rules and regulation of

the club for two sessions (morning and evening)," said Dr Agnish Rajesh, Chairman, Swimming Pool & Health Club, CGC. "It's good news for golfers and club members. We have been waiting to get an all-weather facility. Moreover, it will allow us to practice across the year. Instead of approaching other clubs or pools in the tricity, this facility will be a one-stop place for all swimming lovers," said Dr Ganesh Dutt Rattan, CGC member and avid swimmer.

German Court Denies Indian Baby's Custody To Parents

Commissioner News Service

Berlin : A court in Berlin's Pankow has denied the custody of 27-month-old Ariha Shah to her parents and handed her over to Germany's Youth Welfare Office (Jugendamt). Disregard to plastic ban endangers environmental sanctity

Commissioner News Service

Delhi/ Chandigarh:"The claim that India has banned single-use plastic is misleading. The banned SUP items constitute roughly 2-3% of the entire plastic that is manufactured," says P. Singh. "We continue to sell hundreds of products that are single-use in nature, for instance multilayered packaging and PET bottles. The SUP ban in India addresses a mere 11% of the total SUP waste that is generated in the country." The Central Pollution Control Board (CPCB) had introduced a monitoring mechanism for the ban. It launched an

app for citizens to report the sale of banned SUP items. However, CSE's analysis shows a steady decline in the number of items reported and the complaints redressed. This is mostly due to lack of awareness about the ban among citizens and businesses. For example, while people mainly

report plastic cutlery, CSE's own survey showed al most a third of all the banned items reported were carry bags of less than 120-micron thickness From milk pouches to car dash boards, plastics have become indispensable in recent years.
