

FACIALS

Glo 2 Facial | \$40,000

A breakthrough treatment that unlocks the body's natural superpowers: Oxfoliate with O2 bubbles, amplify with LUX via our lite ultrasound experience, and detox via lymphatic massage.

Customized Treatment | \$15,000

A customized treatment for your specific skin needs based on a thorough skin analysis and discussion. Customized using gentle but clinically proven ingredients. This treatment incorporates the gentle application of light energy to improve cellular performance.

Microdermabrasion | \$20,000

Microdermabrasion is a technique developed for removing the top most layer of the skin, leaving it supple and vibrant. The diamond tipped wand removes the uppermost layer of the skin by polishing it with natural diamond chips and then vacuuming the dead cells away. Removing the dead skin leaves a smoother surface and promotes new cell growth and fibroblasts, which are collagen producing cells that repair the skin. Great for sun damage, fine lines, wrinkles, scarring and blotchiness.

Micro-needling (Collagen Induction Therapy) | \$38,000

An innovative skin rejuvenation treatment, micro-needling is a form of Collagen Induction Therapy that significantly improves the appearance of sun damage, fine lines, wrinkles, acne scar, and stretch marks with little downtime. This treatment incorporates the gentle application of light energy to improve cellular performance.

Dermaplane | \$20,000

An innovative approach to removing dead skin cells, allowing a jump start to skin renewal and infusion of nutrients. It is a simple and safe procedure for exfoliating the epidermis and ridding the skin of fine vellus hair (peach fuzz).

Chemical Peel | \$20,000

Our selection of chemical peels are designed to treat your specific skin condition. Customized solutions work to improve the texture of your skin using enzymes and other formulations to remove dead, dull outer layers until your new glowing skin is revealed. A chemical peel is a gentle solution to many skin issues, such as blemishes, fine lines and wrinkles, uneven skin tone, hyperpigmentation, acne and much more. Our experienced staff will help choose the best peel for your skin.

Hydro-dermabrasion | \$30,000

Hydro-dermabrasion hydrates, cleanses, and revitalizes skin while supporting healthy blood circulation. Better circulation, in turn, promotes the production of collagen and elastin fibers that tighten the skin and promote a youthful look. Included Esthemax jelly mask and LED therapy.

Ultimate Anti-Aging | \$25,000

This treatment is known as "the non-surgical face lift" It is a safe and painless treatment that relaxes overly-tightened muscles and strengthens underworked muscles. In essence, this treatment re-educates the facial muscles and restores them, bringing them closer to their original shape. Most people see visible results after just one treatment. Best results are seen with 2 to 3 treatments.
