

Join our growing OT team!

R E H A B

Archipelago Rehab is a community-based Occupational Therapy company serving Vancouver Island.

We are focused on providing the best service for our clients and funders, while creating an enjoyable work environment for you. We value a collaborative, supportive team and are looking for motivated individuals who are interested in growing with us!

What we bring to the table

We believe great clinical work happens when practitioners feel supported, connected, and inspired.

- **Supportive Work Environment:** Be part of an OT-led small business that prioritizes client care and staff well-being, and handles all the background logistics.
- **Professional Growth:** We love learning and skill building, and helping you reach your personal and professional goals.
- **Varied and Flexible Caseload:** Choose how much you want to work, and when. Create a caseload with a combination of physical, cognitive, and mental health files based on your interest and skills.
- **Team Collaboration:** Team meetings and epic social events to keep you connected, exploring our communities, and having fun (think zip lining, paint class, murder mystery, mini golf...)
- **Competitive Compensation** and opportunities for advancement because we value you and your efforts.

A little about you

- Excellent communication and documentation skills
- Ability to work both collaboratively and autonomously
- Good time management and organizational skills in order to manage your caseload
- Experience in private practice and return-to-work experience is an asset, but not required
- Professional development or experience with brain injury and mental health are assets
- Valid driver's license and open to traveling within your region
- Commitment to a diverse, equitable, and inclusive workplace.
- A sense of curiosity, initiative, and a genuine interest in professional growth

Next steps

We prioritize hiring the right people and creating a position that meets your needs, so tell us what that looks like for you! Submit your resume and cover letter to Stephanie@ArchipelagoRehab.com
