Eliminating discrimination, violence, and bullying is crucial in maintaining a safe environment. Students should feel valued and respected regardless of their race, ethnicity, gender, sexual orientation, religion, or any other characteristic. Any form of violence, whether physical or verbal, disrupts the learning process and can have long-lasting negative effects on students' mental and emotional well-being. By setting clear expectations and consequences for such behavior, Chicago Makeup School ensures that students understand the importance of respectful and appropriate communication.

Furthermore, the school recognizes the importance of providing support and opportunities for all students to reach their full potential. This includes offering resources and assistance to students who may face challenges or barriers to their learning by encouraging collaboration, empathy, and understanding among students.

Abusive conduct includes, but not limited to, threatening, humiliating, or intimidating behaviors. This type of behavior is a serious offense within our school.

Those who witness these type of behaviors, but do not report it to school faculty or staff will be treated as an offender as well.

2. Professionalism: Students are expected to maintain a professional demeanor and appearance while representing the school. This includes appropriate dress, punctuality, and adherence to school policies and procedures.
