## Executive Summary

**Vanessa Rhodes** is the President of Twenty Eleven Construction Inc. in which she has **led for the past 15 years**. She has transitioned her firm from Residential Construction into the Commercial Sector in the Chicagoland area within the last five years. As a **Certified WMBE/DBE/WOSB Firm**, Twenty Eleven is one of **few African American led firms** that performs Asphalt, Excavation, and Concrete in Chicago.

With Vanessa's leadership, Twenty Eleven has been able **successfully complete** notable projects with Ujamaa Construction, Power Construction, W.E. ONEIL, CSX Rail, Norfolk Southern, Clark Construction to name a few.

Vanessa's **focus is community**. She believes in **hiring within her community** to continue to promote economic development, all while **contributing to the economic impact** of employing both women and men who wouldn't normally get an opportunity in underserved areas.

In addition, she continues to **promote and foster belonging** to those who are committed to creating a positive impact.
