

mountain harmony camp

Region 12 Sweet Adelines International
an a cappella experience

November 15 – 17, 2019

Alliance Redwoods Conference Center
6250 Bohemian Highway
Occidental, CA 95465

For details visit us at:
www.mountainharmonycamp.org

Mountain Harmony Camp is a three-day camp for girls, age 13 and up, designed specifically to train young singers in a cappella harmony, Barbershop style.

Sponsored by the Pacific Shores Region of Sweet Adelines International, campers are offered the highest quality instruction, by certified music educators, and top performing singers in this art form.

Under the canopy of the coastal redwoods, we learn two songs that become the literature for our specialized classes and coaching sessions. Students will apply the basics of a cappella ensemble singing and explore the finer nuances of harmony and expression. Rotating through classes in visual performance techniques, choreography, vocal production, and smart part singing, will round out the camper's education in this fun genre.

Your registration fee includes; three days of fun, two nights lodging, five meals, all educational materials, camp T-shirt, participation in the closing show, and new friends.

Campers perform for our family and friends as we close with a free show, featuring newly learned skills and shared experiences.

No experience necessary. Bring your friends or school choir for an experience you'll never forget!

Registration Fee
\$150.00
