BE LOUD, BE PROUD, BE POSITIVE
SPORTSMANSHIP

Pittman Printing Logo Here

Please set a positive example in the stands by showing respect toward the officials, coaches, players, and opposing fans during this contest. Keep in mind that booing, stomping the bleachers, using artificial noisemakers or otherwise attempting to distract players are not permitted during this tournament. These tactics are contrary to good sportsmanship, respect and community pride, and they have no place in high school education. Also keep in mind that continuous standing or use of hand-held signs are types of distractions that may hinder the view of fellow fans and should be avoided.

From The North Andrew School District

We hope you enjoy the tournament and we wish
all participants and teams good luck!
